HOW TO FILL OUT APPLICATION

FOR INDY USBC ASSOCIATION LOCAL AWARDS

FILL OUT ALL INFORMATION IN CORRESPONDING BOX'S

1. Bowler's name; please do not use any nicknames. Use middle initial if one is included on the bowler's membership card.

2. Important—please include date bowled

3. Current average used the day award was bowled

4. How many games has the bowler bowled as of the date this award was bowled?

5. **If** the bowler has not bowled twelve games this season, refer to last year's ending average for this league; or if they did not bowl in this league last year, use the highest last year's book average.

6. Bowler's ID number found on bowler's card or on your league roster
   (Social Security Number is NOT needed anymore)

7. Your league name

8. Center at which score was bowled

9. Five-digit code starting with two letters then three numbers (Example– EX001)

10. One award per season (August 1 thru July 31 of the following year) per category in whichever average class they qualify in. A bowler could qualify in the lowest group, increase their average during the year, and earn more awards in the higher classes. Always choose the highest award they would earn. (If a bowler has a 145 average and shoots a 237 game, they would earn a 90 pins over award. Then the next week they have a 148 average and shoot a 227, they would then earn a 75 pins over average award.)

11. The plaques for 11-strikes-in-a-game or 10-strikes-in-a-row that do not qualify for a USBC award for averages 189 or below are once-in-a-lifetime awards. A bowler could receive both awards but not for the same score rolled in the same day.

12. The 30 and clean certificate is available for anyone regardless of average. The only proof we need is the secretary's signature stating that the bowler has bowled this achievement.

13. Record the scores of each game and series please. The game and/or series are printed on the label that is attached to the chevron.
