A \$25.00 Jr Gold entry fee will be assessed for those wishing to participate in the qualifier – **Youth bowlers** must enter the tournament to be eligible to bowl in the Jr Gold qualifier.
- Averages:** Bowlers will use their highest 2022-2023 certified average (minimum 9 games). This includes all middle school and high school leagues (TKO/tournament averages do not apply). If bowler does not have a 2022-2023 average (minimum 9 games), bowler will use their highest current USBC certified average (minimum 9 games). League standing sheets or applicable current average verification must be provide at check-in if bowling in either of the Handicap divisions. If neither year's average is verifiable, the bowler will use an average of 190.

It is the bowler's responsibility to inform the tournament manager if they have a sport average. If the bowler ONLY has a sport average, this must be converted to a standard average. Those bowlers who have both a standard average AND sport average will use the highest average WITHOUT CONVERSION. Failure to disclose sport averages will result in automatic disqualification.
- Handicap** will be 100% of the difference between the bowler's average and 190 in the handicap divisions.
- Event Format:** Tournament Bowlers will bowl a (4) game qualifier. The first 2 games will be bowled on the assigned lanes at check-in; bowlers will then move to a designated pair of lanes within a 4-lane block for the next two games. **Bowlers will cut to the top (3) qualifiers** in each division for the step ladder finals (boys and girls will not be separated). In the Handicap Divisions step ladder rounds, handicap will be given for one game per match. Ties will be broken in the qualifying and step ladder rounds with a 9th and 10th frame roll off.
- The Jr Gold format will use the actual total of all 4 games bowled without handicap or step ladder finals. Ties will be broken with a 9th and 10th frame roll off. Bowlers who are tied for a qualifying spot for either the tournament or Jr. Gold qualifying event and leave the center will forfeit their opportunity for advancement.
- USBC Rule #18** - While bowling in USBC competition, a bowling ball CANNOT: (a) have the surface altered by the use of an abrasive, (b) be cleaned with ANY liquid substance or cleaning agent, (c) have any foreign material on it including, but not limited to, powder, rosin, marker or paint. All bowling balls so altered or cleaned must be removed from the competition. Note: Should a foreign substance appear on the outer surface of a bowling ball which cannot be removed with a dry towel, an approved cleaner may be used with consent from a league or tournament officer.
- Scholarship** money will be paid out in each division on at least a one in ten ratio (1:10). Disbursement of scholarship money will be handled through the SMART program account #10824. Bowlers awarded scholarship money will be notified by SMART on how to receive and use their funds.
- Jr Gold Spots** will be based on the division ratios listed on the entry form or major fraction thereof providing the minimum number of bowlers required to participate accounts for at least 1 per division. Jr Gold divisions are gender based unless there are not enough of 1 gender for a qualifier, then gender divisions may be combined.
